Once upon a time, before I took up smiling,
I hated the moonlight.
Shadows of the night that poets find beguiling,
seemed flat as the noonlight.
With no one to stay up for,
I went to sleep at ten.
Life was a bitter cup
For the saddest of all men.

Blue moon
You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue moon
You know just what I was there for
You heard me saying a prayer for
Someone I really could care for

And then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper please adore me
And when I looked to the moon it turned to gold

Blue moon
Now I am no longer alone
Without a dream in my heart
Without a love of my own

Once upon a time, my heart was just an organ,
my life had no mission,
now that I have you to be as rich as Morgan
is my one ambition
Once I awoke at seven,
hating the morning light,
Now I awake in heaven,
And all the world's all right.

Blue moon...

Une fois, avant que je ne l'accepte en souriant
Je détestais le clair de lune
Les ombres de la nuit que les poètes trouvent séduisante
Me semblait aussi plates qu'au milieu du jour
Avec personne avec qui rester debout
Je me couchais à dix heures
La vie était une potion amère
Pour le plus triste des hommes

Lune bleue
Vous m'avez vu restant seul
Sans un rêve dans mon coeur
Sans l'amour de moi-même

Lune bleue
Vous savez exactement ce que je venais chercher
Vous m'avez entendu dire une prière pour
Quelqu'un dont je pourrais prendre soin.

Et puis est apparu parut tout à coup devant moi
Le seul que mes bras enlaceront jamais
J'ai entendu quelqu'un murmurer s'il vous plaît adorez-moi
Et quand j'ai regardé la lune elle était devenue dorée.

Lune bleue
Maintenant je ne suis plus jamais seul
Sans un rêve dans mon coeur
Sans l'amour de moi-même

Jadis mon cœur n'était plus qu'un orgue
Ma vie n'avait pas de sens,
Maintenant que je t'ai étreilli aussi riche que Morgan
Est mon unique ambition
Jadis je m'éveillais à 7 heures
En détestant la lumière du jour
Maintenant je m'éveille au paradis
Et le monde tourne rond.

Lune bleue...
