1. 2.  
 La $\flat$ M7 Si $\flat$ 6 Sol Si $\flat$ 6 Sol

I must confess what you say is true  
I had a rendez-vous with somebody new  
That's the only one I ever had  
Baby, baby, don'cha go away mad

O cheat'in shows and it never goes  
You got a reason to be mad I suppose  
But she only was a passin' fad  
Baby, baby, don'cha go away mad

Her kind's a dime a dozen  
And that's not the kind I want  
Who'd ever dream your cousin  
Would wander into that restaurant?

I understand that you feel upset  
What do you say that you forgive and forget?  
Come on and kiss me just to show you're glad  
Baby, baby, don'cha go away mad

Now, her kind's a dime a dozen  
I should've passed her by  
Who'd ever dream your cousin  
Would come along and give us the eye?

I understand that you feel upset  
What do you say that you forgive and forget?  
Come on and kiss me just to show you're glad  
Baby, baby don'cha go away mad

Je dois avouer que ce que tu dis est vrai  
J'ai eu un rendez-vous avec quelqu'un de nouveau  
C'est le seul que j'ai jamais eu  
Bébé, tu veux me rendre fou, n'est-ce pas ?

Dès qu'on triche rien ne va plus  
Tu as une bonne raison d'être en colère, je suppose  
Mais c'était seulement une passade  
Bébé, ne sois pas folle.

Des comme elle on en trouve à la pelle  
Et ce n'est pas le genre que je veux  
Qui aurait jamais imaginé que votre cousin  
Souhaite venir dans ce restaurant?

Je comprends que tu te sentes contrariée  
Que dirais-tu de pardonner et d'oublier?  
Viens et embrasse-moi juste pour montrer que tu es heureuse  
Bébé, tu veux me rendre fou, n'est-ce pas ?

Maintenant, des comme elle on en trouve à la pelle  
J'aurai dû la laisser filer  
Qui aurait jamais imaginé que votre cousin  
Arriverait pour jeter un œil ?

Je comprends que tu sois contrariée  
Que dirais-tu de pardonner et d'oublier?  
Viens et embrasse-moi juste pour montrer que tu es heureuse  
Bébé, tu veux me rendre fou, n'est-ce pas ?
