Md à l'octave sup à la reprise

The first system of musical notation shows the piano accompaniment for the first four measures of the song. It is written in G major (one sharp) and 4/4 time. The right hand features a melody of quarter notes, while the left hand plays a steady eighth-note accompaniment.

The second system includes the vocal melody starting at measure 5. The lyrics are "Love, soft as an ea - sy chair. Love,". The piano accompaniment continues with the same eighth-note pattern. Chord labels "La", "Si/la", and "Sim/la" are placed below the bass line.

The third system continues the vocal melody at measure 10. The lyrics are "fresh as the mor · ning air. One, love that is". The piano accompaniment remains consistent. Chord labels "La", "La/sol#", and "Fa#m" are placed below the bass line.

The fourth system concludes the vocal melody at measure 15. The lyrics are "shared by two I have found with you." The piano accompaniment ends with a final chord. Chord labels "Mi/do#", "Ré/si", and "Sol" are placed below the bass line.

Love, soft as an easy chair;
 Love, fresh as the morning air.
 One love that is shared by two,
 I have found with you.
 Like a rose under the April snow
 I was always certain love would grow.
 Love ageless and evergreen,
 Seldom seen by two.
 You and I will make each night a first,
 Ev'ry day a beginning.
 Spirits rise and their dance is unrehearsed.
 They warm and excite us
 'cause we have the brightest love,
 Two lights that shine as one,
 Morning glory and midnight sun.
 Time we've learned to sail above;
 Time won't change the meaning of one love,
 Ageless and ever evergreen.

Amour, doux comme un bon fauteuil
 Amour, frais comme l'air du matin
 Un amour qui est partagé par deux
 Je l'ai trouvé avec vous
 Comme une rose sous la neige d'avril
 J'étais toujours certaine que l'amour croitrait.
 L'amour sans âge et toujours persistant,
 Rarement vu par deux.
 Vous et moi feront de chaque nuit une première
 De chaque jour, un début
 Les esprits augmentent et leur danse est spontanée
 Ils nous réchauffent et nous excitent
 Parce que nous avons l'amour le plus brillant,
 Deux lumières qui brillent comme une,
 La gloire du matin et le soleil de minuit.
 Le temps sur lequel nous avons appris à naviguer;
 Le temps ne changera pas le sens d'un amour
 Sans âge et toujours persistant.
