Hey Jude, don't make it bad,
Take a sad song and make it better.
Remember to let her into your heart,
Then you can start to make it better.

Hey Jude, ne gache pas tout,
Prend une chanson triste et rend la meilleure.
Souviens toi qu'il faut la mettre dans ton coeur,
Après seulement les choses iront mieux.

Hey Jude, don't be afraid,
You were made to go out and get her,
The minute you let her under your skin,
Then you begin to make it better.

Hey Jude, ne soit pas effrayé,
Tu es né pour la faire tienne,
Dès que tu l'auras dans la peau,
Alors tu commenceras à faire quelque chose de meilleur.

And anytime you feel the pain, hey Jude, refrain.
Don't carry the world upon your shoulders.
For well you know that it's fool, who plays it cool,
By making his world a little colder.

Et à chaque fois que tu as mal, hey Jude, laisse tomber.
Ne porte pas le monde sur tes épaules.
Tu sais bien que c'est une folie, qui rend tout facile,
Rendant son monde un peu plus froid.

Hey Jude, don't let me down.
You have found her, now go and get her.
Remember, to let into your heart,
Then you can start to make it better.

Hey Jude, ne me laisse pas tomber.
Tu l'as trouvé, maintenant prends la.
Souviens toi, qu'il faut la mettre dans ton coeur,
Après seulement les choses iront mieux.

So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude you'll do,
The movement you need is on your shoulder.

Laisse la sortie, laisse la venir, hey Jude, commence
Tu attends quelqu'un pour jouer avec toi
Et ne sais tu pas que c'est juste toi, hey Jude qui doit le faire,
Le mouvement dont tu as besoin est sur ton épaule.

Hey Jude, don't make it bad,
Take a sad song and make it better..
Remember to let her under your skin,
Then you begin to make it better.

Hey Jude, ne gache pas tout,
Prend une chanson triste et rend la meilleure.
Souviens toi qu'il faut la mettre dans ta peau,
Et après seulement tu pourras la rendre meilleure.

Better, better, better, better, better..

Mieux, mieux, mieux, mieux, mieux...
