Your lips were like a red and ruby chalice,
Warmer than the Summer night.
The clouds were like an alabaster palace,
Rising to a snowy height.
Each star its own Aurora Borealis,
Suddenly you held me tight,
I could see the midnight sun.

I can't explain the silver rain that found me,
Or was that a moonlit veil?
The music of the universe around me,
Or was that a nightingale?
And then your arms miraculously found me,
Suddenly the sky turned pale,
I could see the midnight sun.

Was there such a night?
It's still a thrill I don't quite believe;
But after you were gone
There was still some stardust on my sleeve!

The flame of it may dwindle to an ember,
And the stars forget to shine,
And we may see the meadow in December,
Icy white and crystalline.
But oh, my darlin', always I'll remember
When your lips were close to mine,
And I saw the midnight sun.

Tes lèvres étaient comme un calice de rouge et de rubis,
Plus chaudes qu'une nuit d'été.
Les nuages formaient comme un palais d'albâtre,
Riant de leur hauteurs neigeuses.
Chaque étoile était sa propre aurore boréale,
Tout à coup tu t'es serrée contre moi,
J'ai pu voir le soleil de minuit.

Je ne peux expliquer la pluie argentée qui m'a touché,
Ou peut-être était-ce un voile de clair lunaire
La musique de l'univers m'entourait
Ou peut-être était-ce un rossignol
Alors tes bras m'ont miraculeusement trouvé,
Soudain le ciel s'est illuminé
J'ai pu voir le soleil de minuit.

Était-ce vraiment la nuit?
Il me reste un frisson auquel je ne crois pas vraiment
Mais après que tu sois partie
Il restait de la poussière d'étoile sur mes manches

Cette flamme peut s'amenuiser vers la braise
Et les étoiles oublient de briller
Et on pourrait voir une prairie en Décembre
Blanc glacé et cristalline
Mais oh! ma chérie, toujours je me rappellerai
Quand tes lèvres étaient unies aux miennes.
Et j'ai vu le soleil de minuit.
