This is the end Hold your breath and count to ten Feel the Earth move and then Hear my heart burst again	C'est la fin Retiens ton souffle et compte jusqu'à dix Sens la terre bouger et ensuite Entends mon cœur éclater à nouveau
For this is the end I've drowned and dreamt this moment So overdue I owe them Swept away I'm stolen	Parce que c'est la fin J'ai noyé et rêvé ce moment Tellement tardé, je leur suis redevable Emportée, je suis volée
Let the sky fall When it crumbles We will stand tall, Face it all together	Laisse le ciel s'effondrer, Lorsqu'il s'émiettera Nous resterons debout Et y ferons face, ensemble
Let the sky fall When it crumbles We will stand tall And face it all together At Skyfall	Laisse le ciel s'effondrer, Lorsqu'il s'émiettera Nous resterons debout Et y ferons face ensemble A Skyfall
Skyfall is where we start A thousand miles and poles apart Where worlds collide and days are dark You may have my number You can take my name But, you'll never have my heart	Skyfall est là où nous commençons A des milliers de kilomètres et pôles d'intervalle Où les mondes se percutent et les jours sont sombres Tu peux avoir mon numéro, Tu peux prendre mon nom Mais tu n'auras jamais mon cœur
Let the sky...	Laisse le ciel...
Where you go I go What you see I see I know I'll never be me without the security Of your loving arms Keeping me from harm Put your hand in my hand And we'll stand	Où tu vas je vais, Ce que tu vois je vois Sécurité que je ne serai jamais moi-même Sans la sécurité de tes bras aimants Me préservant du mal Mets ta main dans ma main Et nous résisterons!
Let the sky...	Laisse le ciel...
Let the sky fall We will stand tall At Skyfall	Laisse le ciel s'effondrer! Nous resterons debout! A Skyfall!
