This is the end	C'est la fin
Hold your breath and count to ten	Retiens ton souffle et compte jusqu'à dix
Feel the Earth move and then	Sens la terre bouger et ensuite
Hear my heart burst again	Entends mon cœur éclater à nouveau
For this is the end	Parce que c'est la fin
I've drowned and dreamt this moment	J'ai noyé et rêvé ce moment
So overdue I owe them	Tellement tardé, je leur suis redévable
Swept away I'm stolen	Emportée, je suis volée
Let the sky fall	Laisse le ciel s'effondrer,
When it crumbles	Lorsqu'il s'émettera
We will stand tall,	Nous resterons debout
Face it all together	Et y ferons face, ensemble
Let the sky fall	Laisse le ciel s'effondrer,
When it crumbles	Lorsqu'il s'émettera
We will stand tall	Nous resterons debout
And face it all together	Et y ferons face ensemble
At Skyfall	A Skyfall
Skyfall is where we start	Skyfall est là où nous commençons
A thousand miles and poles apart	A des milliers de kilomètres et pôles d'intervalle
Where worlds collide and days are dark	Où les mondes se percutent et les jours sont sombres
You may have my number	Tu peux avoir mon numéro,
You can take my name	Tu peux prendre mon nom
But, you'll never have my heart	Mais tu n'auras jamais mon cœur
Let the sky...	Laisse le ciel...
Where you go I go	Où tu vas je vais,
What you see I see	Ce que tu vois je vois
I know I'll never be me without the security of your loving arms	Je sais que je ne serai jamais moi-même sans la sécurité de tes bras aimants
Keeping me from harm	Me préservant du mal
Put your hand in my hand	Mets ta main dans ma main
And we'll stand	Et nous résisterons!
Let the sky...	Laisse le ciel...
Let the sky fall	Laisse le ciel s'effondrer!
We will stand tall	Nous resterons debout!
At Skyfall	A Skyfall!
