Solm9 Rém9

This is the end
Hold your breath and count to ten
Feel the Earth move and then
Hear my heart burst again

C'est la fin
Retiens ton souffle et compte jusqu'à dix
Sens la terre bouger et ensuite
Entends mon cœur éclater à nouveau

For this is the end
I've drowned and dreamt this moment
So overdue I owe them
Swept away I'm stolen

Parce que c'est la fin
J'ai noyé et rêvé ce moment
Tellement tardé, je leur suis redevable
Emportée, je suis volée

Let the sky fall
When it crumbles
We will stand tall,
Face it all together

Laisse le ciel s'effondrer,
Lorsqu'il s'émiettera
Nous resterons debout
Et y ferons face, ensemble

Let the sky fall
When it crumbles
We will stand tall
And face it all together
At Skyfall

Laisse le ciel s'effondrer,
Lorsqu'il s'émiettera
Nous resterons debout
Et y ferons face ensemble
A Skyfall

Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number
You can take my name
But, you'll never have my heart

Skyfall est là où nous commençons
A des milliers de kilomètres et pôles d'intervalle
Où les mondes se percutent et les jours sont sombres
Tu peux avoir mon numéro,
Tu peux prendre mon nom
Mais tu n'auras jamais mon cœur

Let the sky...

Laisse le ciel...

Where you go I go
What you see I see
I know I'll never be me without the
security
Of your loving arms
Keeping me from harm
Put your hand in my hand
And we'll stand

Où tu vas je vais,
Ce que tu vois je vois
Je sais que je ne serai jamais moi-même
Sans la sécurité de tes bras aimants
Me préservant du mal
Mets ta main dans ma main
Et nous résisterons!

Let the sky...

Laisse le ciel...

Let the sky fall
We will stand tall
At Skyfall

Laisse le ciel s'effondrer!
Nous resterons debout!
A Skyfall!
