And now the purple dusk of twilight time  
Steals across the meadows of my heart  
High up in the sky the little stars climb  
Always reminding me that were apart.

You wander down the lane and far away  
Leaving me a song that will not die  
Love is now the stardust of yesterday  
The music of the years gone by.

Sometimes I wonder why I spend  
The lonely nights dreaming of a song,  
The melody haunts my reverie  
And I am once again with you.  
When our love was new,  
And each kiss an inspiration.  
But that was long ago,  
And now my consolation  
Is in the stardust of a song.

Beside the garden wall,  
When stars are bright  
You are in my arms  
The nightingale tells his fairy tale  
Of paradise where roses grew.  
Though I dream in vain,  
In my heart you will remain  
My stardust melody,  
The memory of loves refrain.

Et maintenant la lumière violette du crépuscule  
Vole à travers les prairies de mon cœur  
Haut dans le ciel les petites étoiles grimpent  
Me rappelant toujours que nous étions séparés

Vous vous promenez loin dans la ruelle  
Me laissant une chanson qui ne mourra pas  
L'amour est désormais la poussière d'étoiles d'hier  
La musique des années passées

Parfois, je me demande pourquoi je passe  
La nuit solitaire rêvant d'une chanson  
La mélodie hante ma rêverie  
Et je suis de nouveau avec toi  
Quand notre amour était nouveau  
Et chaque baiser une inspiration  
Mais c'était il y a longtemps  
Maintenant ma consolation  
Est dans la poussière d'étoiles d'une chanson.

À côté du mur du jardin  
Quand les étoiles brillent  
Tu es dans mes bras  
Le rossignol dit son conte de fées  
Du paradis où fleurissent les roses  
Bien que je rêve en vain  
Dans mon cœur tu rappelleras  
Ma mélodie de poussière d'étoiles  
La mémoire du refrain des amours.
